Rain

The rain is raining all around
It falls on fields and trees
It rains on the umbrellas here
And on the ships at sea

By Adebola Adeoti

A serene winter landscape featuring a snow-covered path that winds through a forest of evergreen trees heavily laden with snow. The scene is captured in a cool, blue-toned light, creating a peaceful and quiet atmosphere. The path is marked with subtle tracks, suggesting a recent passage. The trees are dense and their branches are thick with snow, framing the path and adding depth to the scene.

Snow

The future lies before you
Like a field of fallen snow
Be careful how you tread
For every step will show.

By Adebola Adeoti

BRIGHT HOT SUN
SO BRIGHT AND HOT
BRIGHT HOT SUNSHINE
GIVING LOTS OF ENERGY
IT'S WARM AND SHINING ON MY FACE
INDEED IT MAKES ME HAPPY
AT LEAST MY ASTHMA IS NOT BAD TODAY
I HOPE IT STAYS FOR A WHILE

Wind.

Who has seen the wind

neither I nor you

But when leaves hang trembling

But when leaves bow down their head

The wind is passing by.

Tornado

By Amy Argandona

There was a storm
It was dangerous
The storm took houses
Trees and cars
I can't go outside
For a walk
Because of the storm

Worms in the Rain

Everytime when the rain passes
I like to play with you
Everytime the rain passes
I can find you
You move move move
And sometimes you don't
Let me catch you
I have fun

By Amy Argandona

A photograph of a snowy winter scene at night. A large tree in the center is illuminated by warm yellow lights, creating a soft glow. The ground is covered in snow, and other trees are visible in the background, some also lit with warm lights. The overall atmosphere is serene and cozy.

Wonderful Winter

Always Snow, Ice, and Cold Air.

Love to keep warm, and snuggle by the fire.

It's fun to ice skate, snow ball, sled, and have hot cocoa.

Winter can be such a fun weather, but can't enjoy it like I want.

Oh no! My asthma won't let me outdoors a lot!

Cloudy Day by Prince Nwabude

The clouds are up in the sky!

They look like marshmallows
steam and smoke of different sizes.

Don't see no sun, and rain could be on it's way!

And the plants will be happy to grow again!

The background of the entire page is a teal-to-white gradient, with numerous white snowflakes of various sizes scattered throughout. The snowflakes are stylized with six main branches and smaller sub-branches, some with circular or dot-like details at the ends.

By noon a blizzard
caught on the road

A wall of frozen flakes

white and windy

SNOW

Snow

**I wish I could go
Out in the snow
Or maybe I will
Go to the hill
To slide and sled
Til my nose is red
Then back to my

And back to bed.**

**It's sunny
I'm at the park for a picnic
What a beautiful day, I thought**

The day started darkening

POEM BY IZABELLA CENTENO

RAIN

On a gloomy day when it rains and pours
I hang with my brother and sit on the
porch
Even though we cant play we can see the
birds fly away
I hope they all come back on another
day
The plants are happy and the grass is
too
Thank you rain for doing all that you do

When lightning flashes it makes it

Snow Storm By: Robiya S

I woke up and got ready for school

I looked out the window

But I saw tiny snowflakes falling

School is closed, mom told me

So I changed my clothes

And enjoyed some hot chocolate

The day passed while the wind blowed

Snow began to pile on the windowsill

As I sat warm and cozy

Inside my home

Tornado

Bright and clear day

The land flat and far

Green grass swaying with the breeze

Then the sky begins turning orange

The wind starting to blow

The warm weather becomes chilly

Dark clouds forming

They spin very fast

The clouds slowly start to gown down
