School Calendar Update

On Monday evening, April 6, the Board Members voted to work through the scheduled April break. CSDNB just began phase two of learning during the extended closure and decided to continue learning in an effort to keep the momentum going. Another important factor that was considered by the Board Members was that staying open allows the Meal Distribution Centers to remain open. Many New Britain students are dependent on the Food Distribution centers.

While it was not an easy decision to make, the most important factor centered around meal distribution for our students. Thank you to the families that weighed in over the last six days. The five days will be given back to staff and families in June with the last day of school moving up to be Friday, June 12. As of today, the NBHS graduation date remains the same.
