Dear CSDNB families,

We would like to wish you all a restful and relaxing long weekend. We hope you all are able to find new ways to connect and celebrate with your friends and family as we continue to adjust to this new temporary normal. The following updates are from Superintendent Nancy Sarra.

- Please remember that the school calendar has been adjusted to continue learning next week rather than take the previously scheduled April Vacation. **On-line learning will continue daily Monday, April 13 - 17.**
- There will be no on-line learning tomorrow 4/10 in observance of Good Friday, however meal distributions sites will be open.
- The last day of school is now Friday, June 12, 2020.
- Governor Lamont and The State Department of Education have announced school closure will be extended until at least May 20, 2020. CSDNB will continue to work in our “**Continued Educational Opportunities**” for all of our students.
- We are currently working on a plan for continued Chromebook distribution during this time. More information forthcoming.
- **To our High School Seniors: The new electronic scholarship application is now available to fill out. It can be located on the Cohort 2020 Google Classroom page. Make sure you complete the application ASAP to have a chance to claim part of the over $500,000 donated to our graduating seniors for college. The new deadline is Friday, April 17.**
