Presentation regarding adjustments in NBHS scheduling/course name changes

Mr. Damon Pearce, New Britain High School Principal, gave background regarding the proposed course name changes. The administration at NBHS is looking to change the name of several courses to better align with the audience and what the course offers.

The content and the principles are the same, but the name of the courses are being changed to explain the sequence of courses that need to be taken. Additionally, some courses are being re-named to fit in with their respective academy.

Mr. Pearce also gave an update regarding scheduling changes for the upcoming school year. More information will be made available within the next few weeks.

The Curriculum Subcommittee would like Mr. Pearce to talk to the full Board of Education regarding these changes at their next regular meeting.

Closing and Adjournment

The meeting was adjourned at 6:55 PM.
