

New Britain High School: Remote Learning

NBHS students will move to remote learning through Thanksgiving Break

Dear Families and Community Members,

On Monday and Tuesday of next week (November 23 and 24), all New Britain High School students will move to remote learning due to shortages with our non-certified staff.

Please remember that if students exhibit any symptoms of COVID-19, are feeling ill, and/or test positive for coronavirus during the time we are in the remote learning model, they should contact the school.

It is our priority to ensure the health and safety of our staff, students, and community. We cannot stress enough how important it is - *while at home and in the community* - to frequently wash your hands, wear face coverings, and maintain social distancing so we can help stop the spread of the virus and maintain a healthy school environment for all students and staff.

In partnership,

Ms. Nancy Sarra, Superintendent

Mr. Damon Pearce, NBHS Principal

CC: New Britain Board of Education Members
Erin Stewart, Mayor of New Britain
Sergio Lupo, Director - New Britain Public Health Department
Francine Truglio, MSN, APR, Nursing Supervisor - New Britain Public Health Department
