- E. Agrees that, in the operation of school nutrition programs, no child shall be discriminated against because of race, religion, sex, color, national origin, or handicap.
- F. Agrees to verify in accordance with program regulations and maintain records as follows: (1) summary of the verification efforts; (2) the total number of applications on file by October 31; and (3) the percentage or number of applications verified. Compliance with these requirements will be monitored by the state agency as part of its supervisory assistance monitoring and verification efforts.

- G. Agrees to establish and use a fair hearing procedure under which: (1) a family can appeal a decision made by the Consolidated School District of New Britain with respect to the family's free and reduced price meal application; and (2) the Consolidated School District of New Britain can challenge the continued eligibility of any child for free or reduced price meals. During the appeal and hearing, the child who was determined to be eligible based on the face of the application submitted will continue to receive free or reduced price meals. Prior to initiating the hearing procedure, the school official, the parent(s) or guardian may request a conference to provide an opportunity for the parent(s)/guardian and school official(s) to discuss the situation, present information, obtain an explanation of data submitted in the application and the decisions rendered. Such a conference shall not in any way prejudice nor diminish the right to fair hearing.

The hearing procedure shall provide the following for both the family and the Consolidated School District of New Britain:

- a. A publicly announced, simple method for making an oral or written request for a hearing.
- b. An opportunity to be assisted or represented by an attorney or other person.
- c. An opportunity to examine, prior to and during the hearing, the documents and records presented to support the decision under appeal.
- d. Reasonable promptness and convenience in scheduling a hearing, and adequate notice as to its time and place.
- e. An opportunity to present oral or documentary evidence and arguments supporting a position without undue interference.
- f. An opportunity to question or refute any testimony or other evidence and to confront and cross examine any adverse witness(es).
- g. That the hearing be conducted and the decision be made by an official who did not participate in the decision under appeal or any previous conference.
- h. That the decision of the hearing official be based on the oral and documentary evidence presented at the hearing and entered into the hearing record.
- i. That the parties concerned and any designated representative thereof be notified in writing of the decision.
- j. That for each hearing a written record be prepared, including the decision under appeal, any documentary evidence and a summary of any oral testimony presented at the hearing, the decision of the hearing official and the reasons therefore, and the copy of the notification to the parties concerned, of the hearing official's decision.
- k. That such written record must be retained for a period of three years after the close of the school year to which they pertain. These records must be made available for examination for the parties concerned or their designees at any reasonable time and place during such a period.

- H. Agrees to designate school principals and/or designee, to review applications and make determinations of eligibility. Such official(s) will use the criteria outlined in this policy to determine which individual children are eligible for free and reduced price meals.
- I. Agrees to develop and distribute to each child's parent(s) or guardian a letter and in addition, an application form for free and reduced price meals which shall be distributed with the parent letter at or about the beginning of each school year or whenever there is a change in eligibility criteria. The letter to parents with the free and reduced price meal application attachment shall have only income eligibility guidelines for reduced price meals with an explanation that households with incomes at or below the reduced price guidelines may be eligible for either free or reduced price meals.

Interested parents or guardians are responsible for filling out the application and returning it to the school for review. Such applications and documentation of determinations made will be maintained for a period of three years following the end of the school year to which they pertain.

Applications may be filed at any time during the year. Parents or guardians enrolling a child in a school for the first time shall be supplied with appropriate meal application materials regardless of the time of year the child is registered. If a child transfers from one school to another under the jurisdiction of the Consolidated School District of New Britain, his/her eligibility for free or reduced price meals will be transferred to and honored by the receiving school.

All children from an eligible household will receive the same benefits. Parents or guardians will be promptly notified of the acceptance or denial of their application(s). Children will be served meals immediately upon the establishment of their eligibility.

It is recognized that in certain cases foster children are also eligible for these benefits. If a household has a child living with them, who is a legal ward of the State of Connecticut, that child is considering a family of one, and monthly income from state should be listed.

When an application is rejected, parent(s) or guardian will be provided written notification which should include: (1) the reason for the denial of benefits, e.g., income in excess of allowable limits or incomplete application; (2) notification of the right to appeal; (3) instructions on how to appeal; and (4) a statement reminding parents that they may reapply for free and reduced price benefits at any time during the school year. The reasons for ineligibility shall be properly documented and retained on file at the individual school level.

The designated hearing official is the Chief Operations Officer, 272 Main Street, New Britain, CT 06051.

- J. Agrees to submit a public/press release containing both the free and reduced price eligibility guidelines and all other information outlined in the parent letter, to the local news media, local unemployment offices and major employers contemplating or experiencing large layoffs.
- K. Agrees to establish a procedure to collect money from children who pay for their meals and to account for the number of free and reduced price meals served. A procedure will be used so that no other child in the school will consciously be made aware by such procedure of the identity of the children receiving free or reduced price meals.

- L. Agrees to submit to the Connecticut State Department of Education any alterations, public announcements, etc., before implementation. Such changes will be effective only upon approval. All changes in eligibility criteria must be publicly announced in the same manner used at the beginning of the school year.
