

CONSOLIDATED SCHOOL DISTRICT OF NEW BRITAIN

Board Policy Statement

5131.11 – Video Surveillance

Approved on April 30, 2001

The Board of Education authorizes the use of video cameras on District property and contracted busing services to ensure the welfare and safety of all employees, students, and visitors to District property, and to safeguard District facilities and equipment. Video cameras may be used in locations as deemed appropriate by the Superintendent, except in areas designed for the health or personal comfort of individuals such as restrooms, locker rooms, lounges or other areas where individuals have a legitimate expectation of privacy.

The District shall provide written notice to employees and students regarding the types of monitoring that may occur.

Video recordings may be used to enforce Board of Education policies, administrative regulations, or building rules. The District shall comply with all applicable State and Federal laws related to record maintenance and retention.
