I. Statement of Policy

The New Britain Board of Education has determined that uniforms will be mandatory for students in grades K-8 and these students shall abstain from wearing or possessing specified items during the school day.

II. Statement of Purpose

The New Britain Board of Education has determined that reasonable regulation of school attire can further important educational interests by reducing distraction, minimizing disruption, enhancing school community and pride in the school. Additionally, the implementation of uniforms ensures that schools provide a solution for some social disparities, provides an equal opportunity within the educational setting and maintains the focus of academic achievement. The Board has approved a universal uniform consisting of a solid white, navy blue, red, or yellow collared polo top, and khaki, navy blue, or black dress slacks, skirts, dress shorts, or skort bottoms.

III. School Uniform for Students Grades K-8.

Uniforms have been implemented within the New Britain school district and it is the responsibility of parents/guardians to ensure that their child/children dress in conformity with the requirements of this policy. Non-compliance with the uniform policy may result in disciplinary consequences for the child/children out of uniform. Shorts and skorts may be worn beginning the first day of school through October 1st, and then again May 1st through the end of the school year.

IV. Staff Responsibility.

School personnel, including substitutes, should serve as role models for proper attire in the educational setting. School personnel should ensure that all students adhere to the School Attire Policy as outlined within this policy and further detailed in the student/parent handbook issued at the start of each academic year.

V. Voluntary School Uniform for High School Students, Grades 9-12.

A school principal may institute a school uniform for high school students, grades 9-12, provided that parents and staff are surveyed and indicate support for a school uniform, and further provided that the principal request and obtains approval for school uniform policy from the Board of Education. However, once school uniforms are adopted at a school, all students will be required to adhere to the required attire.

VI. Clothing Assistance.

It is the policy of the Board of Education that no student will be denied an education due to bona fide financial inability to obtain clothing that complies with the Board's Attire Policy.
